Dear Resident family members

COVID-19 is still a real threat to our community. Our number one priority is the safety and well-being of our residents and staff.

We appreciate your support over the last few days as we took precautionary action to protect our Home.

We are very happy to advise that we from today we will again be welcoming visitors by appointment. In line with NSW Health advice, visits will be limited to two visitors per resident per day, and all visitors will be required to wear a surgical mask while in our Home. Please contact the Home to arrange appointments for visits.

As and when we receive advice we will contact you either directly or by email and or text message.

Yours truly
