

24 February 2022

Dear Karingal Green Resident family members

Our number one priority is the safety and well-being of our residents and staff.

Thank you for your support during this past week as we implemented some precautions following information about a potential exposure to COVID-19. We understand this was inconvenient but enabled us to keep everyone safe.

We currently have no residents or staff with COVID-19 at Karingal Green.

The Public Health Unit has advised that we are no longer required to conduct a RAT on staff or visitors but we are as an organisation implementing RAT surveillance which will require any staff or visitors to have a RAT on a Monday or Thursday.

Due to the size of Karingal Green we need to ensure we are protecting our residents and staff and for the interim the car park will remain closed to visitors. This is to ensure that all visitors log in through the EMS system at reception. We are looking at a second system to be installed and we will update you on this as soon as it is done.

Our Friday concerts will be going ahead, however this will now be a **resident's only** event.

This impacts on visiting times for Ivy and Jacaranda families. We will be changing visiting hours for Ivy and Jacaranda to 9am – 10:45am on Fridays until further notice. We are hoping this will only be for a short time.

Visitors are still under WA Health Directions which can be viewed using this link. <https://bit.ly/35i5SA2>. If you have any questions or concerns please do not hesitate to contact Mina or Tash.

Visiting times from Thursday, 24 February :

Magnolias and Wildflowers	9:00am – 10:45am
Jasmine, Poppy, Willows and Orchard	11:00am – 12:45pm
Ivy and Jacaranda	1:00pm – 2:45pm Saturday – Thursday and 9am – 10:45am Friday
Treetops and Eucalypts	3:30pm – 5:30pm

Visits outside of these hours will be supported on a case-by-case basis.

We will be provide you with regular updates and thank you for your understanding and patience during this time.

Yours sincerely

GRAEME PRIOR
Chief Executive Officer
