Dear Georges Estate resident family members

**MANAGEMENT CHANGES AT GEORGES ESTATE**

It is with regret we advise that Sonya Darwich, the Executive Director is no longer working at Georges Estate.

Sonya's contribution to the opening and management of Georges Estate is acknowledged and appreciated by everyone at Hall & Prior.

We are currently reviewing the management structure at Georges and will be supporting the home with management staff in the organisations.

Our current management team which includes Emma Juretic, Executive Director of Care, Anita Rijal, Clinical Nurse Manager and Tiffany Balgos, Clinical Nurse Manager as well as our RN's are available if you have any concerns about your loved ones.

We wish to take this opportunity to thank Sonya and wish her all the very best for her future.

Yours truly
