Welcome to

# HOCART LODGE

AGED CARE HOME

Hocart Lodge Aged Care Home is part of the Hall & Prior Health & Aged Care Group: a family-owned organisation with a passion for providing quality aged care.

Our home is led by an experienced Director of Nursing who works alongside a team of compassionate, dedicated professionals to ensure that you feel well cared for.

We provide each individual in our care with the support they need to continue enjoying meaningful and happy lives.

# A place **TO CALL HOME**

We welcome family to join in with activities, or catch up over a cup of tea in one of our lounges, gardens and patio areas.

In the centre of Harvey, Hocart Lodge is a modern home, with care at its heart. Family members are encouraged to visit as often as possible and catch up with their loved-ones in one of the large common areas or lounges, in the gardens or in our residents' light and spacious rooms.

Residents at Hocart Lodge enjoy a varied activities schedule, consisting of social events, art and craft sessions, games such as bingo and Scrabble and pamper sessions that include beauty therapy, nail care, hand massages and aromatherapy. There is also happy hour, quiet spaces to read and reflect, plus plenty of socialising at meal times, and for sports and movie afternoons.

Our compassionate staff are experienced in providing dementia care and palliative care, supported by Hocart Lodge's strong links with community services.

# Care at **HOCART LODGE**

It's our priority to ensure that you feel safe, secure and at home. For your peace of mind, we provide 24-hour care by registered nurses who are supported by a dedicated team of enrolled nurses and personal carers.

**We have the expertise to assist with complex care requirements, and will always discuss your care requirements with you and your family.**

Your general practitioner can visit you at Hocart Lodge or you can choose to have your records transferred to one of our visiting general practitioners. Hall & Prior's occupational therapists, physiotherapists, speech pathologists and dieticians visit Hocart Lodge regularly to support our residents' care, and visits from other health professionals such as podiatrists, dentists and opticians are arranged as required.

## WHAT'S ON THE MENU?

Enjoying a variety of delicious, nutritionally balanced meals is an important part of maintaining good health.

Hall & Prior's dietitians and speech pathologists work closely with our kitchen team to provide meals that support our residents' clinical care without compromising on taste.

We offer a choice of hot and cold meals, cater for allergies and cultural requirements, and create a special menu for a theme day each month.

## HOW MUCH DOES IT COST?

The cost of aged care is dependent on your circumstances and is different for everyone. The Government pays a supplement for residents who are assessed as eligible through a combined assets and income assessment: depending on your circumstances the Government may pay all, part or none of your care and accommodation costs.

You can find an explanation of the fees and your payment options on our website or ask our staff for more information. We will be happy to go through them with you and answer any questions you have.

## HOW DO I APPLY?

Before you apply to live at Hocart Lodge, you will need to be assessed as eligible for residential aged care by an Aged Care Assessment Team, or ACAT. ACAT Assessments are free and your doctor, health centre or local hospital can refer you to an ACAT near you. Please keep a copy of your assessment as you will need to give it to our Director of Nursing before you can move in.

Once you are ready to apply, there are a number of forms that you will need to complete. Our staff are available to sit down with you and guide you through the application process if you like. Please feel free to ask us questions at any time.

# Moving and **SETTLING IN**

Moving into an aged care home involves a lot of change for you and your family, and our staff are committed to supporting you during this time.

Your room will be furnished for you, and we encourage you to personalise your space with special photographs, paintings and soft furnishings to help you feel at home. There are television sets that you can watch in our common rooms, but you are welcome to bring your own television or radio if you wish.

Having someone to talk to who is knowledgeable and compassionate can make all the difference. Our Director of Nursing is very approachable and is available to discuss your care or the care of your loved one with you at any time. We look forward to welcoming you to our home.
