Welcome to

SPRINGHAVEN LODGE

Springhaven Lodge is part of the Hall & Prior Health & Aged Care Group: a family-owned organisation with a passion for providing quality aged care.

Our home is led by an experienced Director of Nursing who works alongside a team of compassionate, dedicated professionals to ensure that you feel well cared for.

We provide each individual in our care with the support they need to continue enjoying meaningful and happy lives.

A place
TO CALL HOME

We welcome family to join in with activities, or catch up over a cup of tea in one of our lounges, gardens and patio areas.

Springhaven Lodge, which has a homely, welcoming atmosphere, encourages residents to remain as independent for as long as possible. There are 22 ensuite rooms, all with access to a verandah and each looking out onto the surrounding gardens.

Residents at Springhaven Lodge enjoy a varied activities schedule, consisting of social events, craft sessions and games such as bingo and Scrabble. There is an in-house hairdressing salon and a communal vegetable garden which residents are able to help maintain.

Our compassionate staff at Springhaven Lodge offer 24-hour care provided seven days by a multidisciplinary team of registered nurses, carers, therapy staff including an occupational therapist and physiotherapist and hospitality staff.

Care at **SPRINGHAVEN LODGE**

It's our priority to ensure that you feel safe, secure and at home. For your peace of mind, we provide quality care by registered nurses who are supported by a dedicated team of personal carers.

We have the expertise to assist with complex care requirements, and will always discuss your care requirements with you and your family.

Your general practitioner can visit you at Springhaven Lodge or you can choose to have your records transferred to one of our visiting general practitioners. Hall & Prior's occupational therapists, physiotherapists, speech pathologists and dieticians visit Springhaven Lodge regularly to support our residents' care, and visits from other health professionals such as podiatrists, dentists and opticians are arranged as required.

WHAT'S ON THE MENU?

Enjoying a variety of delicious, nutritionally balanced meals is an important part of maintaining good health.

Hall & Prior's dietitians and speech pathologists work closely with our kitchen team to provide meals that support our residents' clinical care without compromising on taste.

We offer a choice of hot and cold meals, cater for allergies and cultural requirements, and create a special menu for a theme day each month.

HOW MUCH DOES IT COST?

The cost of aged care is dependent on your circumstances and is different for everyone. The Government pays a supplement for residents who are assessed as eligible through a combined assets and income assessment: depending on your circumstances the Government may pay all, part or none of your care and accommodation costs.

You can find an explanation of the fees and your payment options on our website or ask our staff for more information. We will be happy to go through them with you and answer any questions you have.

HOW DO I APPLY?

Before you apply to live at Springhaven Lodge, you will need to be assessed as eligible for residential aged care by an Aged Care Assessment Team, or ACAT. ACAT Assessments are free and your doctor, health centre or local hospital can refer you to an ACAT near you. Please keep a copy of your assessment as you will need to give it to our Director of Nursing before you can move in.

Once you are ready to apply, there are a number of forms that you will need to complete. Our staff are available to sit down with you and guide you through the application process if you like. Please feel free to ask us questions at any time.

Moving and **SETTLING IN**

Moving into an aged care home involves a lot of change for you and your family, and our staff are committed to supporting you during this time.

Your room will be furnished for you, and we encourage you to personalise your space with special photographs, paintings and soft furnishings to help you feel at home. There are television sets that you can watch in our common rooms, but you are welcome to bring your own television or radio if you wish.

Having someone to talk to who is knowledgeable and compassionate can make all the difference. Our Director of Nursing is very approachable and is available to discuss your care or the care of your loved one with you at any time. We look forward to welcoming you to our home.
