Compassionate people, dedicated to care

RESIDENTIAL AGED CARE HOME

HALL & PRIOR  
*Health & Aged Care Group*

*We look forward  
to welcoming  
you to our home*

Welcome to

# BLUE HAVEN BONAIRA

Blue Haven Bonaira is part of the Hall & Prior Health & Aged Care Group: a family-owned organisation with a passion for providing quality aged care.

Our home is led by an experienced Director of Nursing who works alongside a team of compassionate, dedicated professionals to ensure that you feel well cared for.

We provide each individual in our care with the support they need to continue enjoying meaningful and happy lives.

A place  
**TO CALL HOME**

We welcome family to join in with activities, or catch up over a cup of tea in one of our lounges, gardens and patio areas.

Blue Haven Bonaira is a beautifully appointed aged care home, located just moments away from Kendall's beach in the scenic coastal town of Kiama on the south coast of New South Wales. With its 134 beds across eight purpose-built care houses set amongst beautifully landscaped grounds, it sets a new benchmark for comfort and quality.

Our Bonaira residential aged care home includes two dedicated dementia homes. We call our model of care 'The Haven Model', which focuses on person-centred care. Our highly trained care staff treat our residents with dignity, respect and offer compassionate care, 24/7. Services available include residential aged care; respite (short-term) care; dementia care; and palliative care.

There are beautiful landscaped gardens to enjoy as well as an onsite cafe, hairdresser, chapel and more. Residents enjoy taking part in regular social activities, groups and events with other seniors. There is a walking group, designed to help increase health and wellbeing, as well as regular social bus trips to local destinations like shopping centres and weekend markets. We also offer various activities and events for our disabled community, supported by the NDIS.

*Blue Haven  
Bonaira is a  
family-oriented  
home*

Care at

# BLUE HAVEN BONAIRA

It's our priority to ensure that you feel safe, secure and at home. For your peace of mind, we provide care by a mix of registered nurses and personal carers.

**We have the expertise to assist with complex care requirements, and will always discuss your care requirements with you and your family.**

Your general practitioner can visit you at Blue Haven Bonaira or you can choose to have your records transferred to one of our visiting general practitioners. Speech pathologists and dieticians visit Blue Haven Bonaira regularly to support our residents' care, and visits from other health professionals such as physiotherapists, podiatrists, dentists and opticians are arranged as required.

*Our care team  
is dedicated to  
providing you  
with the highest  
quality care*

## WHAT'S ON THE MENU?

Enjoying a variety of delicious, nutritionally balanced meals is not only an important part of maintaining good health, it's an important part of your day.

Our kitchen team provides fresh meals that are prepared at our home and served straight to you. We consult with dietitians and speech pathologists to support our residents' clinical care without compromising on taste.

We offer a choice of hot and cold meals, cater for clinical dietary requirements, allergies, intolerances and cultural requirements, and of course, special requests to mark celebrations.

## HOW MUCH DOES IT COST?

The cost of aged care is dependent on your circumstances and is different for everyone. The Government pays a supplement for residents who are assessed as eligible through a combined assets and income assessment; depending on your circumstances, the Government may pay all, part or none of your care and accommodation costs.

You can find an explanation of the fees and your payment options on our website or ask our staff for fee and payment information. We will be happy to go through them with you and answer any questions you have. More information is available from [myagedcare.gov.au](http://myagedcare.gov.au).

## HOW DO I APPLY?

Before you apply to live at Blue Haven Bonaira, you will need to be assessed as eligible for residential aged care by an Aged Care Assessment Team, or ACAT. ACAT Assessments are free and your doctor, health centre or local hospital can refer you to an ACAT near you. Please keep a copy of your assessment as you will need to give it to our Director of Nursing before you can move in.

Once you are ready to apply, there are a number of forms that you will need to complete. Our staff are available to sit down with you and guide you through the application process if you like. Please feel free to ask us questions at any time.

# Moving and **SETTLING IN**

Moving into an aged care home involves a lot of change for you and your family, and our staff are committed to supporting you during this time.

Your room will be furnished for you, and we encourage you to personalise your space with special photographs, paintings and soft furnishings to help you feel at home. There are television sets that you can watch in our common rooms, but you are welcome to bring your own television or radio if you wish.

Having someone to talk to who is knowledgeable and compassionate can make all the difference. Our Director of Nursing is very approachable and is available to discuss your care or the care of your loved one with you at any time. We look forward to welcoming you to our home.

*Having someone  
to talk to who is  
knowledgeable  
and compassionate  
can make all the  
difference*
