### HOW MUCH WILL MY ACCOMMODATION AT SPRINGHAVEN LODGE COST?

The Government will pay an accommodation supplement for residents who are assessed as eligible. Eligibility is determined through a combined assets and income assessment. Depending on your financial circumstances, the Government may pay either all, part or none of your accommodation cost.

If you are assessed as eligible for the maximum accommodation supplement, you will not be charged any additional amount for your accommodation. If you are eligible for a partial accommodation supplement, you will only be charged the difference between the supplement amount and the maximum supplement for Springhaven Lodge. If you are assessed as not eligible, the Government will not contribute to the cost of your accommodation.

You can choose to pay your accommodation costs by:

**1. Refundable accommodation deposit (paid as a lump sum)**

The maximum refundable accommodation deposit you will be charged for a single room is \$400,000.

**2. Daily accommodation payment (paid periodically, eg monthly)**

Alternatively, you can choose to pay a daily payment for your accommodation. For a single room this would equal a cost of \$85.26 per day.

**3. Combination of refundable accommodation deposit and daily payment**

You can also choose to pay a combination of the refundable accommodation deposit and the daily accommodation payment. For example, if you were to pay a 50:50 split for a single room your deposit will be no more than \$200,000 and your daily payment will be \$42.63.
